January 15, 1970

Dear Mrs. John Edie,

Bless you for your kind and gracious note after having seen our Wednesday Christmas Eve matinee! Am always impressed with folks who take time out of their busy lives to write about something they've paid to see. I'm indeed grateful! And you wrote it on New Year's Day what's more! You are most kind!

I love our U.S.A., but I must admit it is great fun to be in this fascinating city of London! Hope you find it as enchanting and different as I do!

May I wish you and your husband John - and your two teenagers a Happy New 1970 -

Thanks again -

Sincerely,

Ginger Rogers
