My dearest,

Received your letter no. 6 today, but I don't know what happened to 3, 4, & 5. As a result I am not too clear on what luck you had on your reservations.

It was darn good to hear from you after quite a few days. In fact, it did make this a good day.

I'm glad you are seeing a lot of the Davenports. They certainly are good folk and must be exceedingly good company. Give them my best, and have a drink for me the next time.

I never thought of sending the 201 file to Minneapolis, but it will be a simple matter to have it sent to you. Also tell your mother to be on the lookout for a package with my blouse in it.

I would give anything to have a kiss from Johnny and see him take that first step. At least I shall be able to see him use his first bat. That'll be something.

A letter came today from Smitty.

The War Manpower Commission cut all the

T/O's at Lee. Trainers is in a Graves
Registration company. Capt Bernstein is going
to military gov't school. He says Sgt Noulis
is doing a grand job. Lt Webb & Randall
left Lee, Webb to some post in the Pacific.
Smitty and Elaine are planning to get married
as soon as possible. I guess that is soon, for
she has bought her wedding dress. Smitty
sends his very best to you and Johnny.

Well-dearest, there isn't much to say.
I am fine and everything is going along
nicely. It's pretty hard for me to make
any decisions on the men along with us
yet. I've got my fingers crossed.

Give my best to the Davis's and
the Davenport's - and my dearest love to
you and Johnny.

Jack
